Parks and Recreation Department
Directors Report
July 15 – August 15

Parks

- ***At the July 28th Park and Rec Board meeting we were approached by Tom Wilkinson and the MV Archery Club about the possibility of creating an Archery Range somewhere in the City. One proposed site area was the Ambulance building site near Nature Park. Tom shared many examples, many of them attractive and appeared well thought out in regards to safety. The Archery Club was asked to provide a site plan and more details to be brought back to the P&R Board.***
- ***Tobacco free***
- ***Trail Lighting***
- ***Newly created trail on school / city property near Lot 32***

Sports

- ***Adult Coed Softball finished August 2nd.***
- ***Fall Flag Football and Fall Soccer practices will begin August 24th ...registration is coming along slowly.***
- ***We will host a FREE football camp for Grades 1-6 with former Hawkeye Tyler Blum on Saturday, August 22nd.***

Pool

- ***New controllers and probes were installed at the pool. The old controllers and probes had exceeded their life expectancy and were causing issues.***
- ***Pool Triathlon took place on July 25th. A total of 18 participants competed and showed some great final times in the events.***
- ***Pool renovation items will be presented to Council at August 17th meeting.***
