

## **REPORT WITH RECOMMENDATION**

TO: Mt Vernon City Council

FROM: Mt Vernon Historic Preservation Commission

RE: Future Use and Placement of the History Boards

You tasked the Historic Preservation Commission with finding an appropriate location for the 6 History Boards now on the east wall of the Council Chambers. Several consultations were held between members of the Commission and Rick Elliott about the use of the Community Center for display of the boards. The results of the conversations follow.

The Commission recommends:

1. The boards be moved to the Community Center and displayed in the Library on the second floor.
2. An appropriate document be drawn making this move a temporary lease of the Boards with the city retaining ownership.
3. The Council draw a letter of appreciation to the Elliott's for making this contribution to the continued availability of the boards and their history of the city.
