The summer reading program is a joint effort with Hills Bank, Lisbon Library, and Cole Library. Hills Bank provides the Summer Reading Kick-off party and the reading t-shirts. The libraries are responsible for putting the actual program together, assisting in promoting the program, attending and assisting at the kick-off party, distributing the t-shirts and encouraging young readers to sign-up and participate in the program. This year 325 children participated.

In past summers we have hosted 2 performers to entertain at the library. This summer we decided do things differently and instead had something at the library almost every morning.
