Eric Roudabush
Paul Tuerler

Parks and Recreation Department
Directors Report
September 15 – November 15

Parks

- ***Nicotine-Free Parks.....data has been collected and over 180 responses were submitted. Park and Rec Board will discuss the data at their next Board meeting.***
- ***Trail Lighting at Sauter Park ...poles should be in this week and PW should be working on installing along with Hawkeye Electric handling the electricity.***
- ***Staff have winterized park restrooms and concession stands.***

Sports

- ***Fall Flag Football season has concluded. A huge thank you to all the coaches and referees who made it possible.***
- ***Fall Soccer season has concluded...again a huge thank you to all those coaches and referees who made it successful.***
- ***Adult Coed Volleyball started on November 8th. We have four teams signed up.***
- ***Girls Basketball has started. We currently have 6 teams in the 3rd-6th Grade divisions (two 3rd Grade, two 4th Grade, and two 5th-6th Grade). We also have a total of (44) forty-four 1st and 2nd Graders signed up...that's a record.***

Pool

- ***Terracon and V&K Engineering analyze our pool basin. Results and reference material is included in the packets.***

Michael Beimer, City Administrator
Doug Shannon, Chief of Police

Jim Moore, Mayor

Council:

Jamie Hampton
Marianne Taylor
Francesca Thompson
Eric Roudabush
Paul Tuerler

Misc

- *Magical Night is Dec 3rd and we are meeting every other week to plan for our 25th anniversary of this event. This should be another great night.*
- *I attended a Trees Forever –Making Trails Better symposium on October 7th. There was some great discussion and some great resources to look into.*
