Parks and Recreation Department
Directors Report
January 15 – February 15

Parks

- **Created and distributed Master Schedule for summer ball fields for Competitive Baseball / Softball coaches/teams**
- **Scheduled baseball/softball tournaments on April 25-26, May 3-4, May 23-24, June 6 and June 27-28 with various organizations at Davis and Elliott Parks.**

Sports

- **Boys Basketball will complete their season February 27....many thanks to all coaches, parents, players and referees for a great season. We utilized Washington Elementary and First Street CC for practices and MV Middle for games. Although we were not able to acquire all of our scheduling needs with MVCSD we were able to accommodate the season.**
- **Youth Wrestling for ages 4-6 going strong with 22 kids involved and will finish up Feb 24**
- **Spring soccer registration started Feb 6th. Practices will start week of March 23 (weather pending) and first game will be week of April 6th. Hard to believe we are talking soccer right now.**
- **Baseball / Softball...We are preparing for our third season with the new league created last year with Anamosa, Central City, Springville, Center Point, Vinton, Monticello, and Alburnett. Shellsburg would like to join this year as well.**

Pool

- **Swim lesson dates are being finalized and will be published in March**
- **Katey Sanders will again manage the pool for the Summer 2015 season**
- **Employment ad to hire Assistant Pool Managers and Swim Team coach will come out soon**
- **Pool Filters were inspected by WesTech and we are waiting for a final report.**

**Mount
Vernon**

-
- ***Met with Hawkeye Flooring in Lisbon and they are going to send a tech out to review our flooring in the pool bath house. One item of concern is today's standards call for a slip-resistant surface and we currently do not have that.***

Misc

School of Recreation Programs for Spring 2015

- ***Princess Tea Time***
- ***Super Hero Kool-Aid Mixer***

Chalk the Walk

- ***Ongoing meetings every two weeks until April then weekly meetings will begin***
- ***No major changes...minor change includes looking at not hosting a cultural fair at same time as CTW. We will instead utilize the old Fire Station as an eating area along with some educational sessions taking place. We have one new sub-committee chair (Daniel Kelchen-Volunteers) to handle the tasks associated with that area.***

Online Registration

- ***Online program registration going well with over 75% registrations coming from this method.***
