

# Memorandum

**To:** Honorable Mayor and City Council  
**From:** Daniel Boggs, P.E.   
**Date:** November 25, 2014  
**Re:** Request to Purchase City Owned Laptop Computer

---

I have been using a Hewlett-Packard laptop computer for City related work at the office and at home. Technical related information for this piece of equipment is listed below:

Purchased	2007
Operating System	Windows 7
Processor	Intel Core 2
Processor Speed	2.00 GHz
RAM	2.00 GB
System Type	64 Bit

Attached is a photograph of the equipment.

A few prices for similar used computer equipment yielded a price range from \$160.00 to \$230.00.

I would propose to purchase this laptop computer, the case, battery charger, and external hard drive for a price of \$250.00.

Thank you for your consideration.
