

UNIT PRICE BID

2013 Sanitary and Storm Structure Replacement

City of Mount Vernon, IA

The following prices per item shall be for furnishing and installing the various items of material and Work as specified and shown on the Drawings. Bidder agrees to perform all Work as shown on the Drawings and described in the Specifications for the following listed prices. Bidder acknowledges that unit prices have been computed in accordance with paragraph 11.01 of the General Conditions. Bidder acknowledges that quantities are not guaranteed and final payment will be based on actual quantities, and classifications are to be made by ENGINEER as provided in paragraph 11.01 of the General Conditions.

NOTE: A price must be bid for each item in the Bid, even though the estimated quantity is zero. Unbalanced or unreasonable unit prices may cause rejection of the Bid. All numbers shall be in ink.
